

Apprentice Lineworker (3rd Year Preferred)

Town of Edinburgh Municipal Power & Light – Edinburgh, IN

Full-time | Monday–Friday 7:30 AM–4:30 PM | Overtime & Callouts Required

Edinburgh Municipal Power & Light is seeking an Apprentice Lineworker, with strong preference given to candidates currently in their 3rd year (or later) of a recognized lineworker apprenticeship or those with equivalent distribution experience looking to transfer programs.

This is an excellent opportunity to join a stable municipal electric utility with strong safety culture and long-term career growth.

#### What you'll do

Assist with overhead and underground electric distribution construction and maintenance

Support switching, outage restoration, and storm response

Operate line equipment and vehicles

Perform groundsman duties and job site setup

Participate in on-call rotation

#### Preferred qualifications

3rd-year apprentice (or close) in a recognized line apprenticeship program

Electric distribution experience

CDL (or ability to obtain)

Ability to work at heights and in all weather conditions

Willingness to work overtime and callouts

#### What we offer

Advanced apprenticeship placement based on verified hours

Competitive pay and municipal benefits

Modern equipment and supportive team environment

Long-term career opportunity in public power

Apply today to continue your lineworker career with a community-focused utility.
