President Hoffman said next on the agenda was the Blue River building discussion. He asked Building Commissioner Wade Watson to lead the discussion.

Mr. Watson said the committee has had several meetings and has decided on 3 or 4 uses to present to the council. After meeting with OCRA it was brought to the committee's attention that town should begin the process to get the preliminary work done to apply for the grant. One of the things that takes time is the environmental study. OCRA will reimburse up to \$3,000 for that study. He said before the process is initiated he would like approval from the council to begin the environmental study. Council Comments

Councilman Drybread said Mr. Rothrock came to the office and wanted to thank the council for putting the temporary stop sign up at the corner of Sunset and Fairlane. The sign is working well in the area and speeds have dropped noticeably. Mr. Drybread said the next step will be putting a permanent sign on that corner. Councilwoman Ervin made a motion to allow Mr. Huddleston to create an ordinance for a permanent stop sign at the corner of Sunset and Fairlane. Councilman Rooks seconded. Unanimous.

President Hoffman said there was a copy of a letter from East Side Elementary in the council packets regarding Clothe-A-Child. Last year the council made a donation to the charity. Every \$100 the charity raises will clothe one child. Councilman Rooks made a motion to donate \$500 to Clothe-A-Child. Councilwoman Ervin seconded. Unanimous.

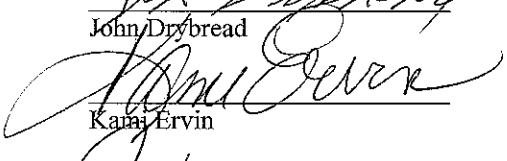

Being no further business or comments, Councilman Simpson made a motion to adjourn the meeting. Councilwoman Ervin seconded. Unanimous.
