

EDINBURGH BEAUTIFICATION

It's time for Town of Edinburgh's annual event to support our citizen's efforts to keep our community clean by providing free pick up of big trash items. This commitment is expensive financially and requires a significant amount of resources and man hours necessary to complete this task. We are proud to provide the valuable service for our residents. We ask everyone to please be courteous by following the guidelines provided herein.

The Town will conduct heavy trash removal July 22, 2019 through August 2, 2019. This service is for **EDINBURGH RESIDENTS ONLY**; commercial and business locations will not be serviced. Bringing trash into Town by non-residents is strictly prohibited, the Town reserves the right to charge any property owner for violations of this practice.

Residential properties located on the East Side of the railroad tracks will be serviced **ONE TIME ONLY** during July 22, 2019 through July 26, 2019. Residents on the East Side must place their trash at the curb no later than 7:30 AM on Monday July 22, 2019 to be serviced that week. Residents who put trash out after their street has been serviced **WILL NOT** be picked up.

Residential properties located on the West Side of the railroad tracks will be serviced **ONE TIME ONLY** during July 29, 2019 through August 2, 2019. Residents on the West Side must place their trash at the curb no later than 7:30 AM on Monday July 29, 2019 to be serviced that week. Residents who put trash out after their street has been serviced **WILL NOT** be picked up.

Town **WILL NOT** pick up tires, chemicals, paint, petroleum products, batteries of any kind, construction or demolition material, computers, tvs or any type of electronics, air conditioning units, refrigerators or anything containing freon.

Small items or loose material must be placed in adequate bags or containers. Containers will be hauled away as trash, so residents are advised not to use their good trash receptacles. Also, crews will not rake around the area where the trash was located.

Heavy trash items should be placed at the curb or edge of the street no sooner than 48 hours, and no later than 7:30 a.m. on the starting day of pick-up for the side of town being serviced that week.

If trash items are set out anytime other than the scheduled heavy trash removal, there will be a minimum charge of \$200 if the town has to remove it.

The Edinburgh transfer station, located at the sewage treatment plant, is open daily for trash disposal. There is a nominal charge based on volume of trash. Fees and hours of service may be obtained by calling 812-526-3530.
