## Town of Edinburgh

### Application Packet for Variance/Special Exception

#### **Summary of Policy**

The Zoning Board of Appeals has the power to authorize variances, pursuant to I.C. 36-7-4-900 series, and from the requirements of the Town of Edinburgh's Zoning Ordinance, ("Ordinance") and to attach such conditions to these variances that it deems necessary to assure compliance with the purpose of the Ordinance. A complete explanation of the variance process can be found in the Rules and Procedures for the Zoning Board of Appeals and Section 156.252 of the Ordinance.

#### **Decision Requirements**

When the Zoning Board of Appeals ("Board") considers a use variance, variance from developmental standards, or special exception, the decision is based on the requirements as set forth in the State law. When presenting a petition to the Board, the applicant must prepare and present testimony that will support each of the stated requirements. The requirements to be considered are as follows:

Use Variance (\$350.00 Filing Fee) The Board may grant a variance from the use requirements and limitations of the Ordinance if, after a public hearing, it makes findings of facts in writing (consistent with IC 36-7-4-918.4) that:

1. *General Welfare*: The approval will not be injurious to the public health, safety, morals, and general welfare of the community;
2. *Adjacent Property*: The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner;
3. *Practical Difficulty*: The strict application of the terms of the Ordinance will result in a practical difficulty in the use of the property (this situation shall not be self-imposed, nor based on perceived reduction of, or restriction on economic gain);
4. *Unnecessary Hardship*: The strict application of the terms of the Ordinance will constitute an unnecessary hardship if applied to the property for which the variance is sought; and

5. *Comprehensive Plan*: The approval does not interfere substantially with the Edinburgh Comprehensive Plan.

Variance from Developmental Standards (\$75.00 Filing Fee: Residential/\$200.00 Filing Fee: Other) The Board may grant a variance from the development standards of the Ordinance (such as height, location, bulk, area) if, after a public hearing, it makes findings of facts in writing (consistent with IC 36-7-4-918.5), that:

1. *General Welfare*: The approval will not be injurious to the public health, safety, morals, and general welfare of the community;
2. *Adjacent Property*: The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner; and
3. *Practical Difficulty*: The strict application of the terms of the Ordinance will result in a practical difficulty in the use of the property. This situation shall not be self-imposed, nor be based on perceived reduction of, or restriction on economic gain.

Special Exception (\$75.00 Filing Fee: Residential/\$200.00 Filing Fee: Other) The Board may grant a special exception for a use listed as such in the appropriate zoning district in Division 2 of the Ordinance if, after a public hearing, it makes findings of facts in writing, that:

1. *General Welfare*: The proposal will not be injurious to the public health, safety, morals, and general welfare of the community;
2. *Development Standards*: The requirements and developments standards for the requested use as prescribed by the Ordinance will be met;
3. *Ordinance Intent*: Granting the special exception will not be contrary to the general purposes served by this Ordinance, and will not permanently injure other property or uses in the same zoning district and vicinity; and
4. *Comprehensive Plan*: The proposed use will be consistent with the character of the zoning district in which it is located and the Edinburgh Comprehensive Plan.
